

Bio INVESTOR FORUM

October 18-19, 2016 • San Francisco, CA

HOTEL INFORMATION

The Westin St. Francis
335 Powell Street
San Francisco, CA 94102

The **BIO Investor Forum** is an international biotech investor conference focused on investment trends and opportunities in life sciences, with unbiased emphasis on venture-stage growth and emerging public companies as well as those poised to join the growth “watch list” in 2017.

Audience Demographics

900+ attendees

1,700+ partnering meetings scheduled, a **22% INCREASE** since 2014

175 private and public company presentations

295 partnering companies, an **18% INCREASE** over 2014

Program

The **BIO Investor Forum** delivers a rich program that features corporate presentations and panel debates on the sweet spots and growth challenges facing the industry. The **BIO Investor Forum** features:

- Public and venture-stage company presentations.
- Expert-led workshops on the latest market and investment opportunities with emphasis on drug and technology development.
- BIO One-on-One Partnering™ meetings.
- Premier opportunity to network with industry executives and investors focused exclusively on life sciences.

Target Audience

- Private equity and public investors, research analysts, and industry executives focused on investment and business development opportunities in the life sciences.

Why Investors Attend

- **HEAR** from and meet with executives at the top life sciences growth companies.
- **EVALUATE** fresh investment opportunities including compatible, complementary and competitive companies.
- **BENEFIT** from candid panel discussions with leading clinical experts and investigators with insights on pipeline research and clinical practice.
- **GET A 'BIG PICTURE' OVERVIEW** of the industry and the issues affecting product innovation, capitalization, and commercialization.

Why Companies Attend

- **MEET** one-on-one with new and current investors, analysts, and partnering companies.
- **GET THE PULSE** on the latest life sciences investment trends from sophisticated investment and company executives.
- **SHOWCASE** your company story in presentations to qualified investors.
- **NETWORK** with peers, investors and potential partners.
